Lot Diagram

Draw a diagram of the lot on which the building is to be constructed. Show the size of the building and where it is located on the lot. Include the distance from the building to the front, side, and rear of the lot lines. Also include all buildings presently on the property.

I hereby certify that the owner on record authorizes this application. I future certify that the prosed plans, as shown, are accurate to the best of my knowledge. The applicant shall further agree that neither he nor his successor will sell, convey, or otherwise dispose of any land surrounding a structure if such transaction will result in the structure being left on a lot which fails to meet the minimum requirements set forth in the township zoning ordinance and allows appropriate township officials to access the site for purposes of checking the zoning requirements.
